Reference for Essential Hygiene

Essential Hygiene have worked with St Mary's school for two years now. They took over our cleaning contract and more recently have taken over the caretaking services.

Essential Hygiene are an outstanding company and work to a very high standard. They are reliable, efficient and work to schedule and always there to support when we need it. Essential Hygiene staff are always polite and helpful.

I have no hesitation in recommending Essential Hygiene. If you need to speak to me please do not hesitate to contact me at the school or the school Business Manager.

We would recommend Essential Hygiene to any school or company.

Yours Sincerely

Jenny McGarry
