To Whom It May Concern

Re: Testimonial - Essential Hygiene Limited

We have worked closely with Essential Hygiene Limited for the last 12 months. They have provided internal building cleaning, window cleaning, washroom and housekeeping services at the Academy. The work they have performed has been carried out exceptionally well.

Essential Hygiene Limited gained the cleaning contract through a competitive tender process and the Academy are very satisfied with the service they have provided. They react positively to any last minute requests and have often worked weekends and outside normal hours to ensure the premises are ready for use at the start of each day.

Essential Hygiene Limited inherited the current on-site team through the TUPE process and with dedication have forged a strong ,reliable workforce within the Academy. Any issues of concern which have been raised with the Operations Manager have been responded to promptly by Essential Hygiene Limited

We have never had any major problems but we know that if anything wasn't working right, we could sit round the table, discuss issues, and agree a way forward.

Finally, can I say that I have no hesitation in recommending Essential Hygiene Limited.

If you have any questions feel free to email or call me.

Kind regards
